Receipt No. 20046

Dear Friends

Thank you so very much for your generous donation of **£1,500.00** on behalf of **Toffs**. We will ensure that your contribution will be put to very good use and will benefit our staff and patients at Manchester Children's Hospitals.

As you may already be aware, the specialties of Pendlebury and Booth Hall will be brought under one roof in 2009 when they relocate to the new state-of-the-art children's hospital currently under construction next to Manchester Royal Infirmary. The New Children's Hospital Appeal is raising money to fund additional equipment and parental accommodation so that families can stay close to a child during their stay in the new hospital. Should you wish to find out more about the Appeal you can also visit www.newchildrenshospitalappeal.org.uk

As a charity we are always keen to build closer, long-term links with regional companies and staff who have an affinity with our hospitals. We currently work closely with a number of businesses in the region, both large and small, and are experienced in finding ways to work with companies that are mutually beneficial.

If you are interested in supporting our hospital's further then please don't hesitate to get in touch my direct number is 0161 918 5258 or e-mail me at pat.whiteside@cmmc.nhs.uk. Once again, many thanks for your contribution from myself, the charity, and the special children who you have helped.

Yours Sincerely

Pat Whiteside
Children's Charities Manager
